Tracking

Fee  
Tracking

Grade Book

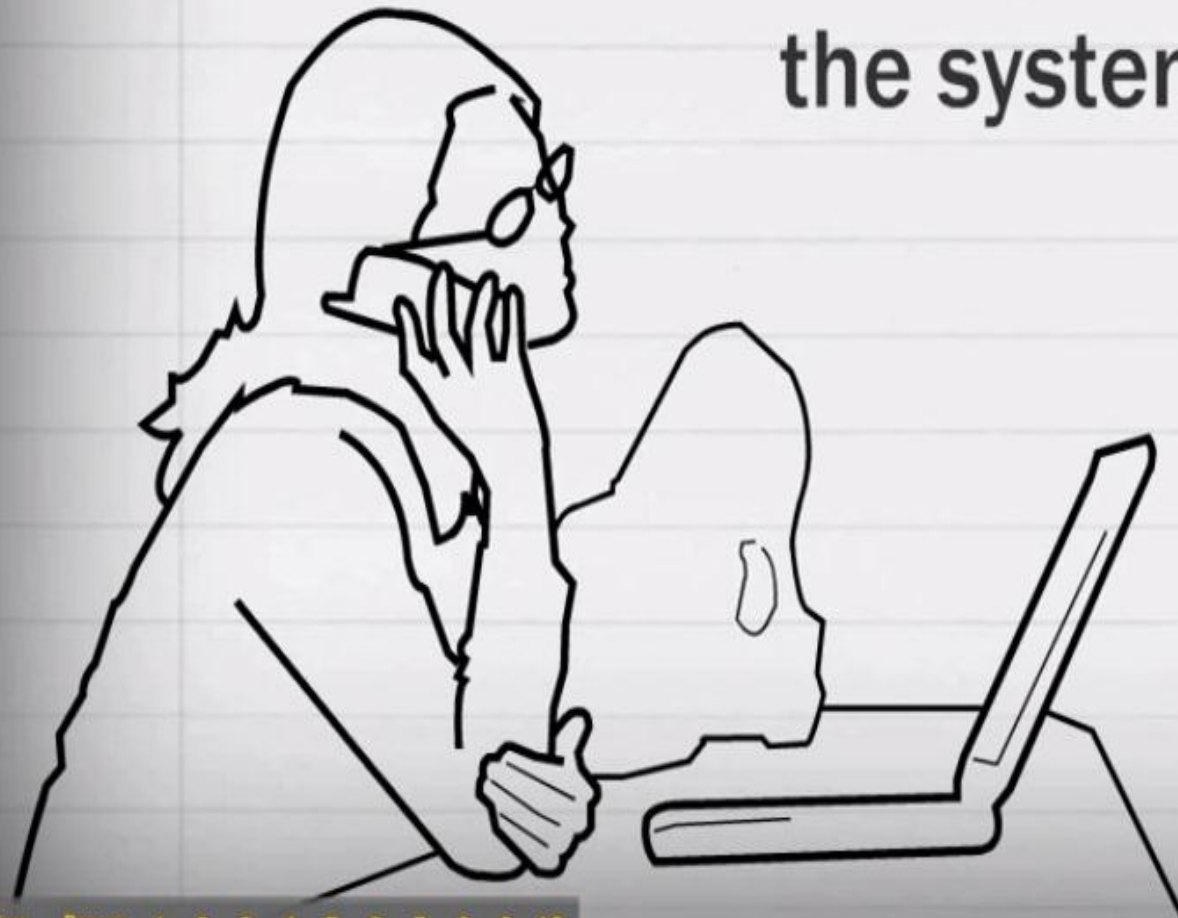

And many  
more

Parent  
portal

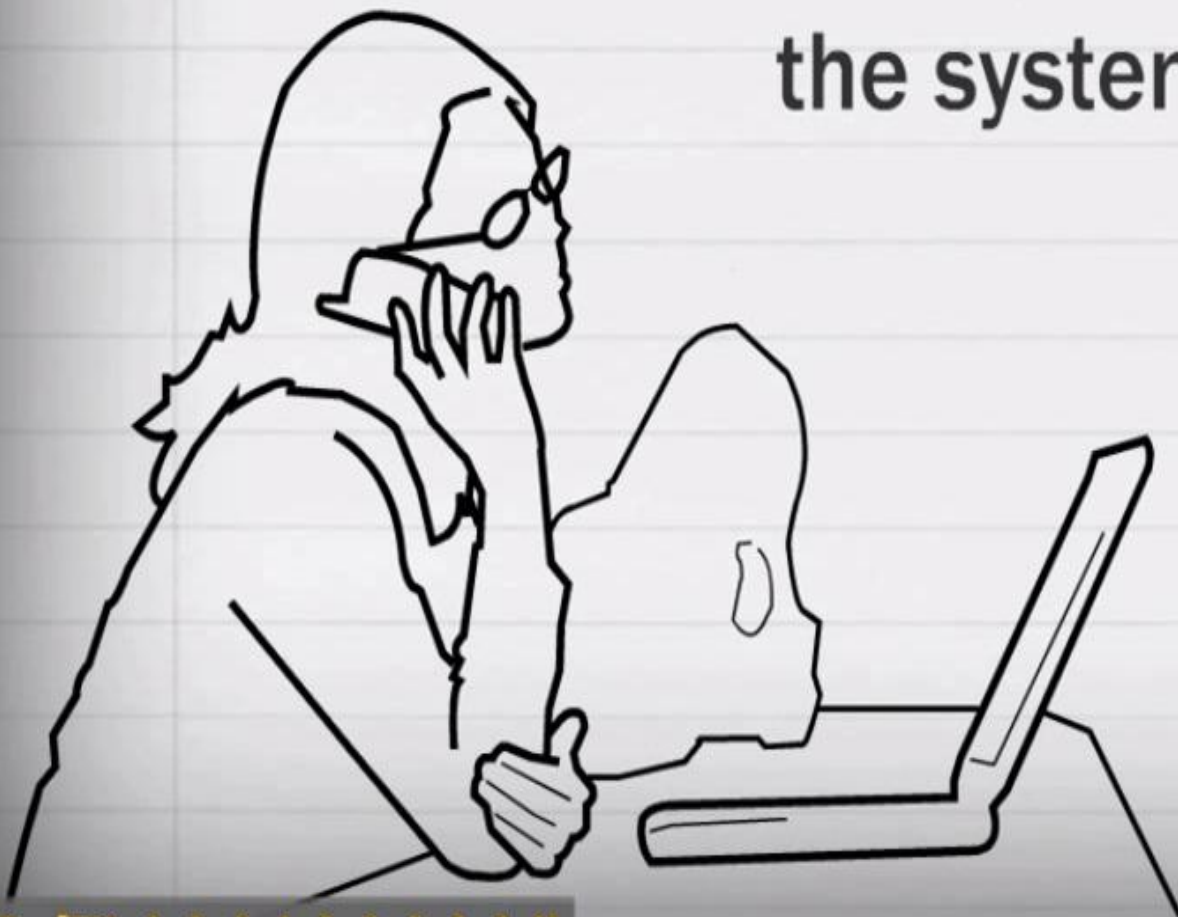

**eSchool**'s modules cover many  
areas of school administration

With **eSchool** ...  
you don't have to  
maintain  
the system

With **eSchool** ...  
you don't have to  
maintain  
the system

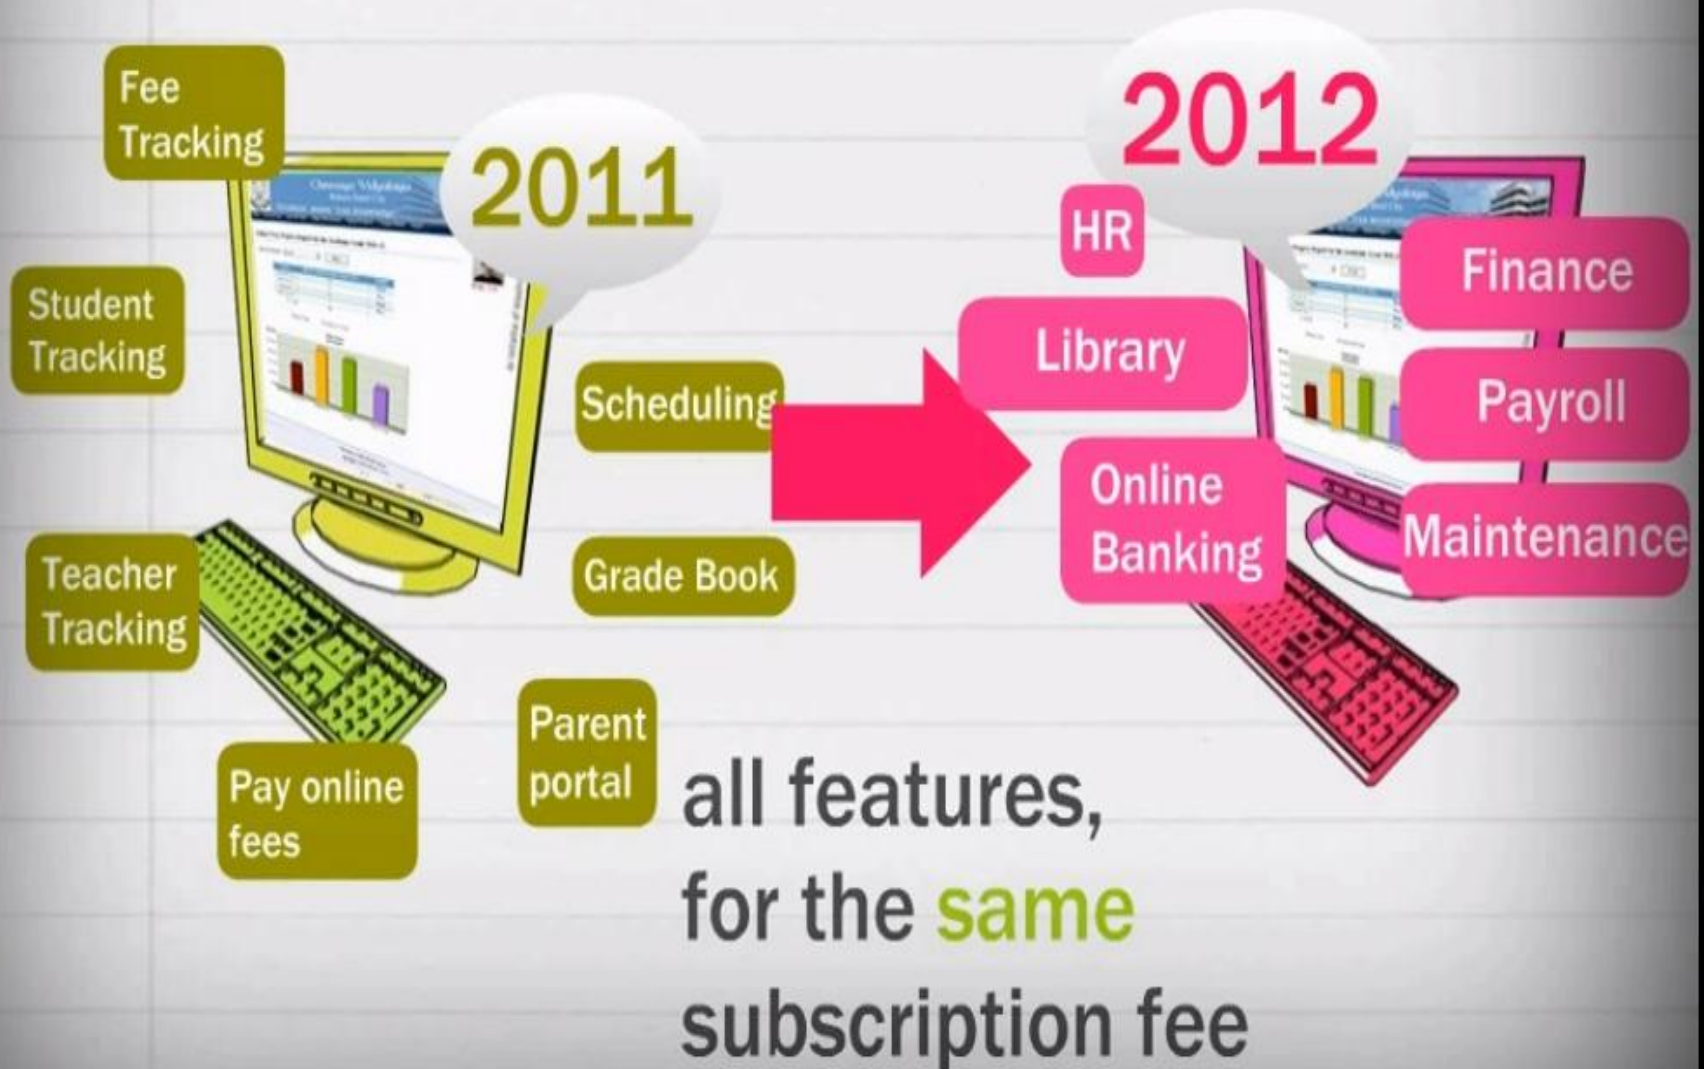

With **eSchool** ...  
you don't need to  
install anything

With **eSchool** ...  
you don't need to  
install anything

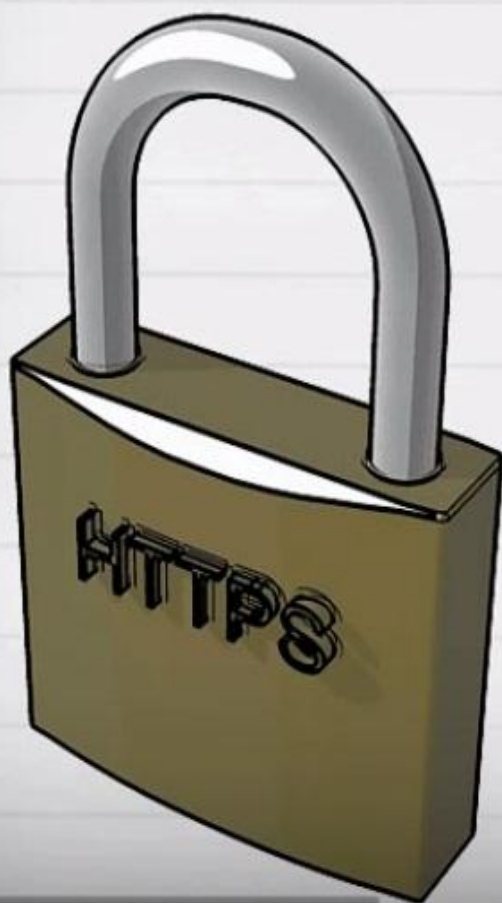

Which means...  
you get **automatic** upgrades

# But how safe is it?

Tension not...

Information is  
transmitted  
using **encryption**  
technology,  
just like online banks

# Tension not...

The application is  
hosted  
on **firewall-protected**  
servers  
which are **continuously  
monitored** for reliability  
and  
performance

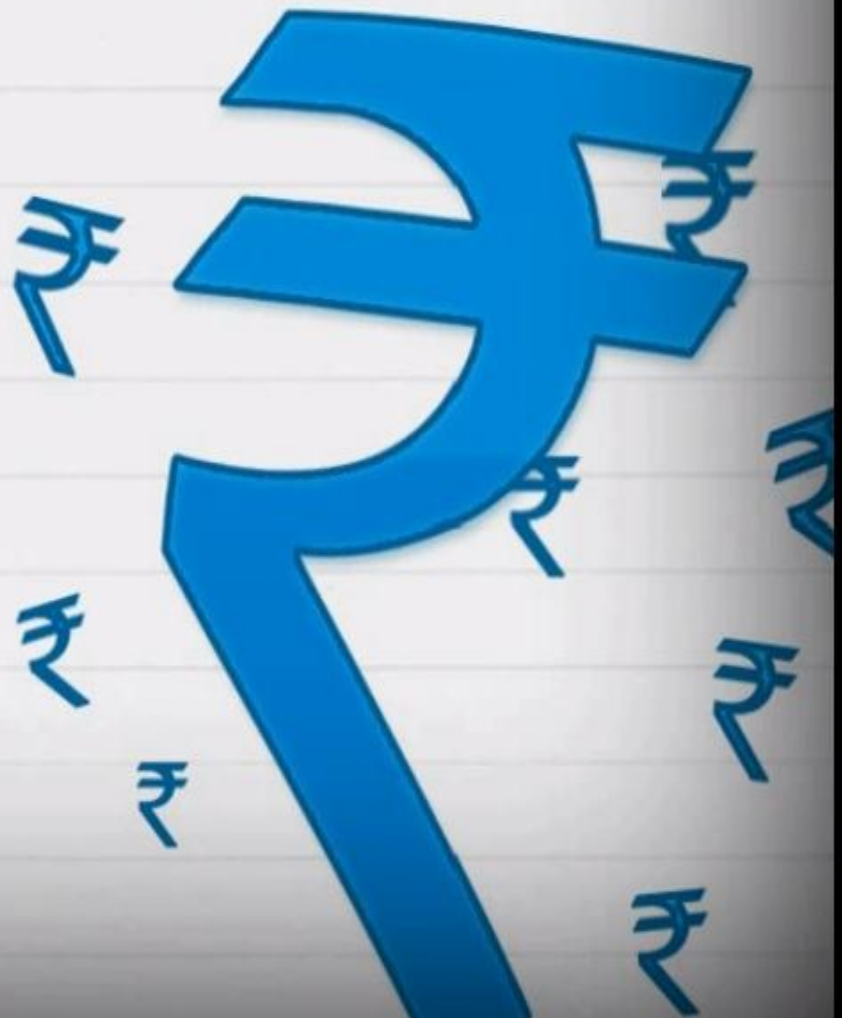

Tension not...

And your data is  
backed up  
every night

Highlighted  
Feature  
**Fee**  
**Tracking**

Easily track tuition fees,  
athletic and registration fees  
as well as payments.

SR 500

SR 1000

Print statements for  
parents with just one click

Highlighted  
Feature

**Student Grading**

# Student grading is a complex process...

*collect grades  
from teachers*

*consolidate  
by student*

*format and  
print*

*add reviews  
and comments*

With **eSchool**  
you just focus on  
your **OWN** task

The system does all the  
**consolidation** and  
**report generation** for  
you

# A Standard Grading Process

**1. Teachers**  
grade

**2. Class Teachers**  
review & add  
comments

**3. Report card**  
generated
